## RESEARCH SOURCES

**Center for Retirement Research (CRR):** “Why Are So Many Older Women Poor?”; “Should We Raise Social Security’s Earliest Eligibility Age?”; “Why is Life Expectancy So Low in the United States?”; and “The Declining Role of Social Security.” These are only some of the informative reports and issue briefs that were published recently by the Center for Retirement Research at Boston College. Most of their publications are available on their website at [www.bc.edu/crr](http://www.bc.edu/crr).

**Urban Institute Retirement Project:** “Social Security cola Reductions Would Weaken Financial Security for the Oldest and Poorest Retirees” and “Security Reform Benefit and Benefit Adequacy” are the two most recent papers posted online in the Urban Institute’s “Retirement Project” series of papers. The site is at [www.urban.org](http://www.urban.org). ❖
